How to Research a Land Parcel Using Your Computer

On your computer,
- **Google** (or whatever you use to search the web)...
- **Type** "On-Line Maps Marathon County". Click to open page.
- On the Marathon County Conservation Planning & Zoning page, **scroll down** the page until you see the **Blue Box** ..."Terms…"
- **Double-Click** in box to accept terms.
- On the Land Information Mapping System" screen you'll see Marathon County towns in **purple outlne**, **and above left top** the tabs **HOME**, **MAP**,**TOOLS ; select MAP**
- Under **MAP, select or click LAYER LIST.**
- *Click on LAYERS; see items appear under it.*
- *Click on boxes:* **DNR WETLAND POINTS, DNR WETLAND AREAS, FLOODPLAIN, COUNTY ZONING ZCR, HIGHWAY OVERLAY ZONING, SHORELAND OVERLAY ZONING.**
- Scroll back up to *I want to...*box near top left of map screen
- **P**and click Drop down menu: "**Search by pin** (parcel identification #); or "**'Search by address**"; or "**Search by owner"**.
- Select which of above, type pin, address, or owner and click on **Search** box.
- Double-click on **"parcel (1)**

Resulting map will show the parcel, if there are wetlands, etc. You can print this for your records/info.

TO PRINT, click **HOME Tab**, select **Print icon**
