

Town of Ringle Planning and Zoning Agenda Notice

The Ringle Planning/Zoning Committee will meet after the public hearing on December 29, 2020 which starts at 6:30p.m., at the Ringle Municipal Center, 223207 Abt Rd, Ringle, WI 54471, regarding the Petition for a Conditional Use and Zone Change by Cassidy Bradfish and Andrew Stroik. This change would be for a wedding and event center including a building that could seat 325 people. The reason for the zone change to recreational rather than commercial is this business will not run the normal 9-5 hours. It will generally just be Saturday nights with a few scattered events on Friday nights or business meetings during the week.
