

Raze Order Process – Town of Ringle

- 1) Property owner contracts with a qualified professional to assess the property in question. (An example of a professional would be an Adjuster or Building Inspector that will put their findings on paper).
- 2) Property owner sends a Raze Order Request Letter to the Town of Ringle. The letter must state that the property owner will arrange for the demolition and that the Town will not be liable for any costs of the demolitions.

*Include with the Raze Order Request the following things:

- Most recent Marathon County Property Tax Bill.
- Your Professional's facts and summary of the property.
- Your Insurance Companies initial estimate.

You need to be on the next Town Board meeting agenda to be considered for a Raze order. The Town Board meets on the 2nd Monday of each month. The complete packet must be received at least 2 weeks prior to the Town Board meeting to be reviewed and on the agenda.

The Town Board will make a decision to approve or deny the Raze request.

*Please note – not everyone will qualify for a raze order.
